

Surfacing (feat. Lucy Kitchen)

BCee

I'm waiting
Waiting for you
I'm waiting
Waiting for you
Feels like I'm coming up for air
Surfacing
Like I've been holding my breath
Inhaling
First gasp
First gasp
Feels like I've been frozen
Encased in Ice
Frozen in time
Somehow You found me
You pulled me back
I was so lost
I was so lost
'N' I've been waiting
Waiting for you
To breathe me back to live
I've been waiting
Waiting for you
To breathe me back to live
To breathe me back to liveFeels like I'm coming up for air
Surfacing
Like I've been holding my breath
Inhaling
(a) first gasp, (my) first gasp
Feels like I've been frozen
Encased in Ice
Frozen in time
Somehow You found me
You pulled me back
I was so lost
I was so lost
N I've been waiting
Waiting for you
To breathe me back to live
I've been waiting
Waiting for you
To breathe me back to live

To breathe me back to live
