

I Wish

Carl Thomas

It was love at first sight
I know from the way she looked at me
Her eyes said it all Long days and nights, we spent
Until she dropped the bomb on me
When she said that she was unhappily married with children And I wish I never met her at all
Even though I love her so
But she got love from me
But she still belongs to someone else It hurts so bad for sure
Because she wants to be with me
But she cannot be with me
She chose to stay at home
So they could be a family
For the children but what about me? And I wish I never met her at all
Even though I love her so
And she got love from me
And she still belongs to someone else Maybe in another life
Things could be the way we both desired
It's a catch-22, either way it hurts
Someone that you lose And I wish I never met her at all
Even though I love her so
She's got love from me
But she still belongs to someone else
And I, and I
Even though I love her so
She's got love from me
But she still belongs to someone else I wish, I wish I never met her at all
I wouldn't hurt so much inside
