

Do You Want To

Xscape

Never should have kissed you
Never made that call
I told myself, in love I shouldn't fall
Would have been a pleasure just to know your name
Look at me, silly me, now I'm back in love again And there's nothing you can tell me, nothing I
can do
I just hope that you're in love with me
The way that I'm in love with you Do you want to, like I want to be in love with you
Say I do
Do you want to, like I want, want to make love to you
Say I do
Never understand it
Love it takes control
I ask myself, girl should you let it go
That would be too crazy
Love without you now
Hate to think, ever think, you won't be around Now there's something you can tell me
Something you can say
Promise me you'll stay with me
Until my dying day Do you want to, like I want to be in love with you
Say I do
Do you want to, like I want, I wanna to make love to you
Say I do Now my deep emotions have completely come over me
I'm into you I'm loving you too deep, oh yes I am
Should have seen it coming
Now my heart's beating much too weak
Can't control, I can't let go
Of you baby, you baby, you oh! Do you want to, like I want to be in love with you
Say I do
Do you want to, like I want, I wanna to make love to you
Say I do Did it feel good to you baby, like it felt good to me (to be in love with you)
Oh, say I do
Do you want it again, baby, baby, cause I want it right now
Oh, wanna make love to you Do you want to, like I want to be in love with you
Say I do
Do you want to, like I want, want to make love to you
Say you do (repeat until end)
