

Love Making

Alex Simmons

[Verse 1]

Baby tonight we gon do something so girl let's get started,
My face in between your thighs I can feel your legs shake,
And you're crying and moaning, oh no,
Can we take our clothes, Baby I can give you everything you want,
Baby we can take it slow, There ain't no rush,
Baby I'ma take my time,[Pre-Hook]
Cause when you love someone you make them feel good,
Just so we're understood we gon go all night,
Nails running down my back, Oh but girl relax,
Kissing all on your neck while I'm deep inside,

[Chrous]

Do you mind if we make love,
Baby you can ride me till you've have enough,
I'm gonna give you good sex, good sex,
So baby spread your legs, your legs,
Cause we're love making,[Verse 2]
Lay on my bed I'm drowning in your lake,
I can tell that you like it,
Your head against the headboard, Shit sounding like an earthquake,
No need to be quiet,
Baby arch your back,
I want you to feel good baby I'ma take you down,
And when I'm giving you them back shots baby,
Try not to wake the neighbors with your sound,

[Pre-Hook]

Cause when you love someone you make them feel good,
Just so we're understood we gon go all night,
Nails running down my back, Oh but girl relax,
Kissing all on your neck while I'm deep inside,[Chrous]

Do you mind if we make love,

Baby you can ride me till you've have enough,
I'm gonna give you good sex, good sex,
So baby spread your legs, your legs,
Cause we're love making,[Verse 3]
Shawty we gon treat tonight like it's pastime,
I know you wanna take it all baby that's fine,
Hope you don't have a hard time if it's past 9,
Cause I'ma put it down like this is the last time,
Tell me what you want I'ma tell you what we gon do,
Know you've been craving for a nigga just to hold you,
No fronting girl I can do better than your old dude,

Girl I'ma treat your body just like I'm suppose to, pose to,
Tell me you with it just know I ain't finished, I'm on one,
Pull up to my crib girl it's litty we gon have some more fun,
Girl how you do that, do that, she throwing it back to back, Word up,
Let me rub that ass, finesse that arch in your back, your back, Work up,[Bridge]
And when I'm stroking your body girl,
Legs shaking toes are curling,
I'm gonna give you everything you need baby,
Look what you done started babe,
Got me feeling real naughty baby,
Don't you worry bout a thing, yeah.[Chrous]
Do you mind if we make love,
Baby you can ride me till you've have enough,
I'm gonna give you good sex, good sex,
So baby spread your legs, your legs,
Cause we're love making
