Learn Me Right

Birdy

Though I may speak some tongue of old Or even spit out some holy word I have no strength with which to speak When you sit me down and see I'm weakWe will run and scream You will dance with me We'll fulfill our dreams and we'll be freeWe will run and scream You will dance with me We'll fulfill our dreams and we'll be free We will be who we are And they'll heal our scars Sadness will be far away So I had done wrong but you put me right My judgement burned in the black of night When I give less than I take It is my fault my own mistake We will run and scream You will dance with me We'll fulfill our dreams and we'll be free We will be who we are And they'll heal our scars Sadness will be far away Song Discussions is protected by U.S. Patent 9401941.
