Something in Your Eyes

Bell Biv DeVoe

Oh, yeah
You like that
So lay your head back
Here we go
You like that
Feels good

Oh, yeahYou ask me why I say why not Anything is possible and anything can be Therefore tonight I'll get you hot

You feel the passion you never dreamedAnd I know you feel I'm over-confident What kind of man could I be

It's clear to see it's like animal attraction When you add it up it's just a matter of fractions, girl

Something in your eyes told me

That you were lookin' for a man you could adore

Something in your eyes are givin' me a sign

And I knew it was on, I knew it was on If think you're dry, I say you're wet

I can make it possible, I can make it true And all night long I'll make you sweat

Gonna do a feelin' that long past overdueAnd I know you think why so much confidence What kind of man must I be

It's clear to see it's like adding and subtracting
When you add it up, it's just animal attractionSomething in your eyes told me
That you were lookin' for a man you could adore

Something in your eyes are givin' me a sign

And I knew it was on, I knew it was on

Something in your eyes told me

That you were lookin' for a man you could adore

Something in your eyes are givin' me a sign

And I knew it was on, I knew it was onSo when I get inside and make you wet I'll lick you dry

Make your body weak from all the body heat Just like a lion you'll hear me roar

And then I beat into your body, make that body get weak some more I'll take you to the peak, I'll make you want to scream

And like a lion you'll hear my body roar and roar and roar and roar and roarOoh, ooh, oohSomething in your eyes told me

That you were lookin' for a man you could adore

Something in your eyes are givin' me a sign

And I knew it was on, I knew it was onAnything is possible and anything can be You can feel the passion you never ever dreamed of

See it in your eyes, you're givin' me a sign

And I knew it was on, I knew it was onIt was something in your eyes told, made me feel
Something in your eyes and hey, I could see it
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was onSomething in your eyes told me
That you were lookin' for a man you could adore
Something in your eyes are givin' me a sign
And I knew it was on, I knew it was on
