Don't Take It Personal

Lyrica Anderson

It's just one of them days, when I wanna be all alone
It's just one of them days, when I gotta be all alone
It's just one of them days, don't take it personal
I just wanna be all alone, and you think I treat you wrongI wanna take some time out to think things through
I know it always feels like I'm doing you wrong
But I'm so in love with you
So understand that I'm only in love your the only one I need
So have no thought that I want to leave and baby trust me please
Just one of them days
That a girl goes through
When I'm angry inside
Don't want to take it out on you
Just one of them days
Don't take it personal
I just wanna be all alone
And you think I treat you wrongDon't take it personal
Baby baby baby baby, don't take it personalI see and I think about every thing we do
And I find myself in misery and that ain't cool
Hey now, I really want to be with you the whole way through
But the way you make me feel inside keeps me confused
As I swing back from mood to mood it's not because of you
I never want you to be insecure
So won't you understand that I'm only in love, your the only one I need
I'll be there for you when you need me boy, so baby don't you leave
Don't take it personal
Baby baby baby baby, don't take it personal
Don't take it personal, yeah, don't take it personalDon't take it personal baby
Personal baby, personal baby, personal baby
Personal baby, personal baby
