

# Far From Home

## Mr Little Jeans

When the distance's grown  
When you're far from home  
Are your eyes new  
Nothing's easier looking back from a  
Room with a view Could've said and could've done  
From a thousand down to one  
Looking for a better 'long the way  
Tell me are you still the same  
Tell me am I gonna learn  
Will it be the last time that I say Greener grass not so  
Perfect's just for show  
Waking up cold  
Next to someone new  
Having things to do  
Watching time go  
Oh love of mine  
Oh my sweet love  
What if the night  
Could undo  
Take back the time  
Bring back enough  
Before the day I lost you
