

Am I Right?

Erasure

Wanderin' through the back roads
And the rain comes rushin' down
To resolve your love
For this man in his twenties Am I Right? Am I wrong? Or am I just dreaming? Climbing up the
backstairs
There's a chill wind in the air
I wrap up from the cold
Pull the blind in the window Who was here? Was it you? Or am I just dreaming? Look at all the
lonely people
Walking miles around the town
I can see the old cathedral
But I have to play it down
Boats along the river
Setting up their sails
And life carries on as normal
Although you're not around Waiting as the bus stop
Laughing off the rain
Shaking their umbrellas
'Till it starts again Flowers in the water
Floating off downstream
Paper in the gutter
Blowing in the breeze Am I Right? Am I wrong? Or am I just dreaming? Look at all the lonely
people
Walking miles around the town
I can see the old cathedral
But I have to play it down
Boats along the river
Setting up their sails
And life carries on as normal
Although you're not around Waiting as the bus stop
Laughing off the rain
Shaking their umbrellas
'Till it starts again Flowers in the water
Floating off downstream
Paper in the gutter
Blowing in the breeze Am I Right? Am I wrong? Or am I just dreaming? Wanderin' through the
back roads
And the rain comes rushin' down
To resolve your love
For this man in his twenties Am I Right? Am I wrong? Or am I just dreaming?
