

# Am I Right?

## Erasure

Wanderin' through the back roads  
And the rain comes rushin' down  
To resolve your love  
For this man in his twenties Am I Right? Am I wrong? Or am I just dreaming? Climbing up the  
backstairs  
There's a chill wind in the air  
I wrap up from the cold  
Pull the blind in the window Who was here? Was it you? Or am I just dreaming? Look at all the  
lonely people  
Walking miles around the town  
I can see the old cathedral  
But I have to play it down  
Boats along the river  
Setting up their sails  
And life carries on as normal  
Although you're not around Waiting as the bus stop  
Laughing off the rain  
Shaking their umbrellas  
'Till it starts again Flowers in the water  
Floating off downstream  
Paper in the gutter  
Blowing in the breeze Am I Right? Am I wrong? Or am I just dreaming? Look at all the lonely  
people  
Walking miles around the town  
I can see the old cathedral  
But I have to play it down  
Boats along the river  
Setting up their sails  
And life carries on as normal  
Although you're not around Waiting as the bus stop  
Laughing off the rain  
Shaking their umbrellas  
'Till it starts again Flowers in the water  
Floating off downstream  
Paper in the gutter  
Blowing in the breeze Am I Right? Am I wrong? Or am I just dreaming? Wanderin' through the  
back roads  
And the rain comes rushin' down  
To resolve your love  
For this man in his twenties Am I Right? Am I wrong? Or am I just dreaming?
