Can't you feel the tension

Ever heard the word prevention

Well you really need to pay attention

You only need a little bit

So you want another hit?

Call emergency on the telephone

You're in the danger zone("This lounge, you're in the danger zone" -- Erick Sermon) 4XVerse

And you take a diagnosis

You see your boy Shock G wrote this (wrote this)

To open up your mind

Do you know who I am, deliverer of a rhyme

My job is to verbally slay suckers

Like an uzi spray motherfuckers (spray motherfuckers)

The Underground is gonna get ya

Now pay attention you're about to enter

[Shock G]
