

# Edibles (feat. T.I.)

## Snoop Dogg

And once it all dissolves (to the left)  
And it mixes with the music (to the right)  
And it makes you wanna do it (to the left)  
In a way you never knew it (to the right) Pass the dutchie to the left  
Like it is 4/20  
Pass the dutchie to the right  
Like it is 4/20  
Pass the dutchie to the left  
Like it is 4/20  
Pass the dutchie to the right  
Like it is 4/20  
Pass the dutchie to the left  
Come aboard the friendly sky's and let it go (cupcakes)  
Here's my metaphor (cookies)  
You so edible (girls)  
Lemme know for sure, you squint your eyes and let it go (chocolate)  
You already know (molly)  
Its that edible, girl And once it all dissolves (to the left)  
And it mixes with the music (to the right)  
And it makes you wanna do it (to the left)  
In a way you never knew it (to the right) And once it all dissolves (to the left)  
And it mixes with the music (to the right)  
And it makes you wanna do it (to the left)  
In a way you never knew it (to the right)  
Pass the dutchie to the left  
Like it is 4/20  
Pass the dutchie to the right  
Like it is 4/20

And it makes you wanna do it (to the left)  
In a way you never knew it (to the right) And once it all dissolves (to the left)  
And it mixes with the music (to the right)

And it makes you wanna do it (to the left)  
In a way you never knew it (to the right)Badabang badabang  
Got a chain you can see through  
Graduated to a Range from a Regal  
Hit the club and I leave with it 82  
That's the difference between me and you  
Just how we do it, Remy straight to the head and you chase yours  
On a worldwide tour me and Skateboard  
Ate more bitches in the lobby on the molly  
Pretty sexy yet exotic fill em all in my Ferrari yep  
I'd probably do a menage before i put the car in park  
Got em running upstairs got em coming in pairs  
May I relieve you of your jacket can I touch you there  
She took off her underwear, it ain't no hair under there  
I solemnly swear, I will not share  
This game with a lame, let him learn for himself  
I don't owe a nigga shit, better earn for himself  
Quit tripping on me, be concerned with yourselfAnd once it all dissolves (to the left)  
And it mixes with the music (to the right)  
And it makes you wanna do it (to the left)  
In a way you never knew it (to the right)And once it all dissolves (to the left)  
And it mixes with the music (to the right)  
And it makes you wanna do it (to the left)  
In a way you never knew it (to the right)Pass the dutchie to the left  
Like it is 4/20  
Pass the dutchie to the right  
Like it is 4/20  
Pass the dutchie to the left  
Like it is 4/20  
Pass the dutchie to the right  
Like it is 4/20  
Pass the dutchie to the left
