

Could It Be Magic

Barry Manilow

Spirit move me every time I'm near you
Whirling like a cyclone in my mind
Sweet Melissa, angel of my lifetime
Answer to all answers I can find
Baby, I love you, come, come, come into my arms
Let me know the wonder of all of you
Baby, I want you now, now, now, and hold on fast
Could this be the magic at last?
Lady, take me high upon a hillside
High up where the stallion meets the sun
I could love you, build my world around you
Never leave you till my life is done
Baby, I love you, come, come, come into my arms
Let me know the wonder of all of you
And baby, I want you now, now, oh, now, oh now and hold on fast
Could this be the magic at last?
Could it be magic?
Come, c'mon, c'mon, come oh-oh come into my arms
Oh, let me know the wonder of all of you, all of you
Baby, I want you now, now, oh now, oh now and hold on fast
Oh, could this be the magic at last?
Could it be magic?
Come, c'mon, c'mon, come oh-oh come into my arms
Oh, let me know the wonder of all of you
Baby, I want you now, now, oh now, oh now and hold on fast
Oh, could this be the magic at last?
Could it be magic?
