

# Could It Be Magic

Barry Manilow

Spirit move me every time I'm near you  
Whirling like a cyclone in my mind  
Sweet Melissa, angel of my lifetime  
Answer to all answers I can find  
Baby, I love you, come, come, come into my arms  
Let me know the wonder of all of you  
Baby, I want you now, now, now, and hold on fast  
Could this be the magic at last?  
Lady, take me high upon a hillside  
High up where the stallion meets the sun  
I could love you, build my world around you  
Never leave you till my life is done  
Baby, I love you, come, come, come into my arms  
Let me know the wonder of all of you  
And baby, I want you now, now, oh, now, oh now and hold on fast  
Could this be the magic at last?  
Could it be magic?  
Come, c'mon, c'mon, come oh-oh come into my arms  
Oh, let me know the wonder of all of you, all of you  
Baby, I want you now, now, oh now, oh now and hold on fast  
Oh, could this be the magic at last?  
Could it be magic?  
Come, c'mon, c'mon, come oh-oh come into my arms  
Oh, let me know the wonder of all of you  
Baby, I want you now, now, oh now, oh now and hold on fast  
Oh, could this be the magic at last?  
Could it be magic?
