

Sleep (Ian Van Dahl Remix)

Conjure One & Rhys Fulber

I know it's late;
I shouldn't call at this hour.
But it's my fate;
I need lips to devour.
My nervous system is shot all right;
I won't sleep unless you...Sleep, with me, tonight...
Deep, with me, tonight...I know it's late...
We've known each other a while.
But I can't wait
To see your twisted smile.
Kindred spirit of candle light, (kindred spirit of candle light)
I won't sleep unless you...
Sleep, with me, tonight...
Deep, with me, tonight...And my thoughts seal my sight;
I'm so tired, but I fight.Sleep with me tonight.
(Sleep with me tonight)
Sleep with me tonight.
(Sleep with me tonight)Drown out the machinery in my head;
Bring your peace of mind to my bed.
Without sleep, there are no dreams;
Without dreams,
We fall apart at the seams...Kindred spirit of candle light,
(Kindred spirit of candle light)
I won't sleep unless you...
Sleep, with me, tonight...
Deep, with me, tonight...And my thoughts seal my sight;
I'm so tired, but I fight.Sleep with me tonight.
(Sleep with me tonight)
Sleep with me tonight.
(Sleep with me tonight)
Sleep with me...
(Sleep with me)
Sleep with me...
(Sleep with me)
Sleep with me...
Sleep with me, tonight.Sleep with me, tonight.
Sleep with me, tonight.Sleep...
