

# You and Me

Niall Horan

I've got a young heart  
And it's wild and free  
I don't know where it starts  
But it ends with you and me  
It's a hard road  
As far as I can see  
I don't know where I'm going  
But I'll get back to you and me 'Cause we're two kids  
Trying to start a fight  
No matter where we go  
Yeah, we'll be alright  
All I'm asking for  
A bit of patience, please  
'Cause I know what's to come  
And it's coming for you and me  
Time has never been on our side  
So would you wait for me?  
I lead a selfish life  
'Cause that's what I need  
What do I have to do  
To make you believe?  
It's all for you and me From a distance  
I can hear you cry  
But don't you worry, darlin'  
Don't lose sleep tonight  
I can promise it  
I can guarantee  
That at the end of the road  
I see you with me  
Time has never been on our side  
So would you wait for me?  
I lead a selfish life  
'Cause that's what I need  
What do I have to do  
To make you believe?  
It's all for you and me When I look down the line  
At the man I wanna be  
I've always known from the start  
That it ends with you and me
