

# Fallin' for You

## R5

You like mismatched socks  
with polka dots.  
You like your pizza cold  
I think that's hot. You like to swim at night  
when the moon is full.  
You think that makes you strange  
I think that's cool. And you say you're scared  
that I won't be there.  
Baby, I swear  
I'm not going anywhere. You can change your hair  
five times a week.  
You can change your name  
get a little bit crazy.  
You can dance in the rain  
rockin' secondhand chic  
but I live for the day  
that I'm calling you baby. 'Cause I'm falling for you  
for everything that you do.  
Baby, I'm falling for you.  
You might be crazy  
but baby,  
I'm falling for you. I seem predictable  
vanilla plain.  
And all the mannequins  
they look the same. There's no one else like you  
one of a kind.  
And I'm a lucky guy  
'cause you're all mine.  
And you say, you're scared  
that I won't be there.  
Baby, I swear  
I'm not going anywhere. You can change your hair  
five times a week.  
You can change your name  
get a little bit crazy. You can dance in the rain  
rockin' secondhand chic.  
but I live for the day  
that I'm calling you baby. 'Cause I'm falling for you  
for everything that you do.  
Baby, I'm falling for you.  
You might be crazy  
but baby,

I'm falling for you. Yeah  
You might be crazy  
but baby,  
I'm falling for you. You like mismatched socks  
with polka dots.  
You like your pizza cold  
Yeah, I'm falling for you, falling for you. You can change your hair  
five times a week.  
You can change your name  
get a little bit crazy. You can dance in the rain  
rockin secondhand chic  
but I live for the day  
that I'm calling you baby. 'Cause I'm falling for you  
for everything that you do.  
Baby, I'm falling for you.  
You might be crazy  
but baby,  
I'm falling for you. Yeah  
I'm falling  
I'm falling for you Yeah  
You might be crazy  
but baby I'm falling for you.
