Islands in the Stream

Barry Manilow & Reba McEntire

Baby, when I met you there was peace unknown I set out to get you with a fine tooth comb

I was soft inside

There was something going on You do something to me that I can't explain Hold me closer and I feel no pain

Every beat of my heart

We got something going on Tender love is blind, it requires a dedication

All this love we feel needs no conversation

We can ride it together, ah, ha

Making love with each other, ah, ha

Islands in the stream, that is what we are

No one in between, how can we be wrong?

Sail away with me to another world

And we rely on each other, ah, ha

From one lover to another, ah, hal can't live without you if the love was gone

Everything is nothing if you got no one

And you just walk in the night

Slowly losing sight of the real thingBut that won't happen to us and we got no doubt

Too deep in love and we got no way out

And the message is clear

This could be the year of the real thingNo more will you cry, baby, I will hurt you never

We start and end as one, in love forever

We can ride it together, ah, ha

Making love with each other, ah, ha

Islands in the stream, that is what we are

No one in between, how can we be wrong?

Sail away with me to another world

And we'll rely on each other, ah, ha

From one lover to another, ah, haSail away, sail away

Sail away with me

One, twoIslands in the stream, that is what we are

No one in between, how can we be wrong?

Sail away with me to another world

And we'll rely on each other, ah, ha

From one lover to another, ah, haHere we go

Islands in the stream, that is what we are

No one in between, how can we be wrong?

Sail away with me to another world

And we'll rely on each other, ah, ha

From one lover to another, ah, ha
