

# Rules

## Shakira

You have to swear  
You've got love to love me, ah ah  
That will last forever, ah ah  
We must have a story, ah ah  
With a happy ending, aaahSo don't ever go away  
And never put aside  
The things I'm gonna say  
'Cause these are rules for usUse your eyes  
Only to look at me  
Use your mouth  
Only to kiss my lips  
We are branches of the same old tree  
You can laugh  
Only if you laugh with me  
You can cry  
Only if you cry for me  
Don't forget that you're condemned to meOh, can't you see?  
You always were  
You'll always beYou used to say  
I should see a doctor, ah ah  
Who would keep me busy? ah ah  
'Cause a jealous woman  
Never makes it easy, aaahAnd you know I'll do for us  
Whatever seems right  
But it may take a while  
Before I change the rules  
Use your eyes  
Only to look at me  
Use your mouth  
Only to kiss my lips  
We are branches of the same old treeYou can laugh  
Only if you laugh with me  
You can cry  
Only if you cry for me  
Don't forget that you're condemned to meOh, can't you see?  
You always were  
You always wereSo use your eyes  
Only to look at me  
Use your mouth  
Only to kiss my lips  
We are branches of the same old treeYou can laugh  
Only if you laugh with me

You can cry  
Only if you cry for me  
Don't forget that you're condemned to me  
Oh, can't you see?  
You always were  
You'll always be  
Aah, aah
