Breathe

Faith Hill

I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight dance across your face
And I've never been this swept away
All my thoughts just seem to settle on the breeze
When I'm lying wrapped up in your arms
The whole world just fades away

The only thing I hear is the beating of your heartCause I can feel you breathe

It's washing over me

And suddenly I'm melting into you

There's nothing left to prove

Baby all we need is just to be

Caught up in the touch

Slow and steady rush

Baby isn't that the way that love's supposed to be?

I can feel you breathe

Just breathe

In a way I know my heart is waking up

As all the walls come tumbling down

Closer than I've ever felt before

And I know, and you know

There's no need for words right nowCause I can feel you breathe

It's washing over me

And suddenly I'm melting into you

There's nothing left to prove

Baby all we need is just to be

Caught up in the touch

Slow and steady rush

Baby isn't that the way that love's supposed to be?

I can feel you breathe

Just breathe

Caught up in the touch

Slow and steady rush

Baby isn't that the way that love's supposed to be?

I can feel you breathe, just breathe

I can feel the magic floating in the air

Being with you gets me that way
