

Sydney (I'll Come Running)

Brett Dennen

Okay, alright, alright Sydney, whenever you feel unhappy
All you have to do is call me, I can make you laugh
Sydney, I know that you were wrongly accused
I hope you don't lose your sense of humor Allegations made in the schoolyard
Soccer moms gossip in the dog park
Their bark is worse than their bite
They're only a couple of crazy cougars
They're bored and spreading their desperate rumors You know that I was never that cool
But I won't be taken for a fool
If they wanna talk trash they can talk, talk, talk
But they better come collect
And if you ever need me, call me
I'll come running straight to you
Straight from the airport
(I'll come running)
Cut through the customs line
(I'll come running) Bust down the courthouse doors
(I'll come running)
Sydney, I will testify
(I'll come running)
Sydney, I will testify to ya We were in the basement
Just giving our blood on stage and
Pretending that we were famous
While you were getting framed
I went back to my room in Surrey Hills, yes, I did
I didn't know you were in trouble until you came in
Just as skinny as a twig in my kitchen
And told me I was looking at a dead man
I said, "Sydney, you're wrong" There's a lot of good people living in LA
Yes, there are and
We won't let nobody take you away
No, we won't You know I was never that cool
But I won't be taken for a fool
If they wanna talk trash they can talk, talk, talk
But they better come collect And if you ever need me you just call me
I'll come running to you
Straight from the airport
(I'll come running)
Cut through the customs line
(I'll come running) Bust down the court house doors
(I'll come running)
Sydney I will testify

(I'll come running)
Sydney I will testify
(I'll come running)I will testify
(I'll come running)
I will testify
(I'll come running)
To ya, to ya, to yaSydney whenever you think you need me
Call me up and I'll come running straight to youI was never that cool
But I won't be taken for a fool
If the wanna talk trash they can talk, talk, talk
But they better come collectAnd if you ever need me you just call me
I come running to ya
Straight from the airport
(I'll come running)
Cut through the customs line
(I'll come running)Bust down the court house doors
(I'll come running)
Sydney I will testify
(I'll come running)Sydney I will testify
(I'll come running)
I will testify
(I'll come running)I will testify
(I'll come running)
To ya, to ya, to ya
I will testify
