

# Well Enough Alone

Chevelle

Walk down the realm  
Hint to no one that this  
Generic bond exists  
Evil shows another side  
And like before, makes no sense  
Never coming  
Always leaving right before  
Hooked on substance  
Dig in deeper  
Can't reveal  
Why we leave  
Well enough alone  
Never thought about the shame  
So fed up  
What's with the scenes?  
Observe and leave instead  
This pity wagon  
Penetrates my skin  
So sensitive, makes me sick  
And like before, makes no sense  
Never coming  
Always leaving like before  
Hooked on substance  
Dig in deeper  
Can't reveal  
Why we leave  
Well enough alone  
Never thought about the shame  
The old and the aged  
Pulled and never knew what hit  
The old and the aged  
Pulled and never knew what hit  
And like before, makes no sense  
Never coming  
Always leaving like before  
ed on substance  
Dig in deeper  
Can't reveal  
Why we leave  
Well enough alone  
Never thought about the shame  
Why we leave  
Well enough alone  
Never thought about the shame
