

Violence and Bloodshed

Manowar

Civilization crumblin' fast
End the world with a blast
People afraid walkin' the streets
Scums have their day 'til they run into me
Are you ready? Livin' in fear ain't livin' to me
I'm armed with a gun defending the free
They blew it in 'Nam, shot up my friends
I'm back in the street, the fight never ends
I was born with a gun in my hand
I'll die for my country but I'll die like a man
Violence and bloodshed
Violence and bloodshed
Violence and bloodshed
Now that we're back to animal law
The payback's a bitch, I'm paying all
All my life I been waitin' to see
Who's gonna win, crumbs or me
Are you ready? My brother's still in Da-Nang
Puttin' an ad in the back of Kerrang
I'm lookin' for people who just wanna kill
We'll go back to 'Nam 'cause no one else win
Land of the free
Home of the brave
Now that's how it is
And that's how it stays
Violence and bloodshed
Violence and bloodshed
Violence and bloodshed
