

# The High Road

## Broken Bells

We're bound to wait all night  
She's bound to run amok  
Invested enough in it anyhow,  
To each his own  
The Garden is sorting out  
She curls her lips on a bow  
I don't know if you're dead or not  
To anyone  
Come on and get the minimum  
Before you open up your eyes,  
This army has so many heads  
To analyze...  
Come on and get your overdose  
Collect it at the borderline  
And they want to get up in your head...  
Cause they know and so do I  
The high road is hard to find  
A detour in your new life  
Tell all of your friends goodbye  
The dawn to end all nights  
That's all we hoped it was  
A break from the warfare in your house  
To each his own...  
A soldier is bailing out  
And curled his lips on the barrel  
And I don't know if the dead can talk  
To anyone...  
Come on and get the minimum  
Before you open up your eyes  
Are you one of us?  
Come on and get your overdose  
Collect it at the borderline  
And they want to get up in your head  
Cause they know and so do I  
The high road is hard to find  
A detour to your new life  
Tell all of your friends goodbye  
It's too late to change your mind  
You let loss be your guide...  
It's too late to change your mind  
You let loss be your guide...  
It's too late to change your mind  
You let loss be your guide...  
It's too late to change your mind  
You let loss be your guide...
