

She Luv It

UGK

Hold up
And she luv it
And she luv it
Hold up I make her get down on a dime, open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor Get down on a dime, open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
I can feel you putting my dick inside your mouth
Trying to fit my whole dick and nuts inside your mouth
I'm jumping in and out, your pussy trying to stretch it out
When I hit you from the back you say don't pull it out And that nigga that you live with ain't like
me
Ain't from Atlanta but I know these hoes like me
They pulling on my zipper wanna bite me
I got a bitch from Oakland like to get hyphe In the bed with her head in a jib
Eating on my dick like it's some corn or a barbeque rib
Drop it to the floor, let me fuck with you
Get the camera out, bitch, I'm finna take some pictures I make her get down on a dime, open up
the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
Get down on a dime, open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor She's a big fine something ain't she, with that
big ass
Bet you she can grind something can't she, she shake it fast
Shake it slow, to and fro, back and forth, up and down
That apple bottom clowning it ain't fucking around, been kinda tight
Real stuck on that backside, it's looking kind of right

With the juicy tank top and a loop of ten heels
All bullshit aside, she looking ready to kill
But when I say kill, I mean murder the cock
I'm talking beating the pussy up while the headboards knock
She ain't watching the clock, ain't finna answer the phone
'Cause Bun Beata got that dick that put your cheek in a zone
I make her get down on a dime,
open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
Get down on a dime, open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
These hoes loving the living, I'm giving all they
can take
These hoes living for loving, I'm shoving dick til' they break
Put your feet in the sky, bring your knees to your chest
Grab a hold to the sheets, bitch, and I'ma do the rest
Get to pressing on your pink, gripping on your soft
To the side, take a ride, from the back I break you off
I want some pussy and some navel and
some ass and some mouth
I ain't fucking for me bitch, I'm fucking for the whole south
Show me what you working with, bitch, what you got?
I really wanted to fuck but hoe you went and shaved your cock
A bald head pussy ain't shit, got them razor bumps bitch
Grow some hair and get legit
I make her get down on a dime, open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
Get down on a dime, open up the store
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
(And she luv it)
Slide down slow, she getting down on the floor
