

# Next Contestant

## Nickelback

I judge by what she's wearing  
Just how many heads I'm tearing  
Off of assholes coming on to her  
(Each night seems like it's getting worse)  
And I wish she'd take the night off  
So I don't have to fight off  
Every asshole coming on to her  
(It happens every night she works,)  
They'll go and ask the DJ  
Find out just what would she say  
If they all tried coming on to her  
(Don't they know it's never going to work)  
They think they'll get inside her  
With every drink they buy her  
As they all try coming on to her  
(This time somebody's getting hurt).

Here comes the next contestant. Is that your hand on my girlfriend?

Is that your hand?  
I wish you'd do it again  
(I'll watch you leave here limping)  
I wish you'd do it again  
(I'll watch you leave here limping) There goes the next contestant.

I even fear the ladies  
They're cool but twice as crazy  
Just as bad for coming on to her  
(Don't they know it's never going to work)  
Each time she bats an eyelash  
Somebody's grabbing her ass  
Everyone keeps coming on to her (This time somebody's getting hurt).

Here comes the next contestant.  
Is that your hand on my girlfriend?  
Is that your hand?  
I wish you'd do it again  
(I'll watch you leave here limping)  
I wish you'd do it again (I'll watch you leave here limping)

There goes the next contestant.  
I'm hating what she's wearing  
Everybody here keeps staring Can't wait 'til they get what they deserve (This time somebody's getting hurt).

Here comes the next contestant.  
Is that your hand on my girlfriend?  
Is that your hand?

I wish you'd do it again  
(I'll watch you leave here limping)  
I wish you'd do it again  
(I'll watch you leave here limping)  
I wish you'd do it again  
(Each night seems like it's getting worse)  
I wish you'd do it again  
(This time somebody's getting hurt)  
There goes the next contestant
