Hoe ass nigga in the club full of young hoes
Smoking backwoods with the Migos
Drinking my drank in the glass, no cup in the cut, ducked off gettin' fucked up
Nothin' but family around me
Man these hoes are astounding
She say she went to school with my young son
Fuck around and get popped with the pop gun
Cute lil' bitch
Told me that her daddy was a 8-Trey crip
I did time with the nigga, four months
Cut to the chase lil' bitch, you wanna fuck?
'Cause if you do, this's what's gon' pop
No pictures and no photoshop
Just get your lean and soda pop
Get with the program, jump in the bro-ham (Biatch)
She throw it to a nigga, I'ma toss it
She throw it to a nigga, I'ma toss it
Boss nigga, boss shit, I got boss dick
Fresh fast done fucked a coffin
She throw it to a nigga, I'ma toss it
She throw it to a nigga, I'ma toss it
Boss nigga, boss shit, I got boss dick
Fresh fast done fucked a coffin
Ole ass nigga with some young bitches
Sugar daddies talking bout some come get this
Not me, fuck y'all, I tell her young ass she better break me off
You niggas way too soft

She need a player like me you gotta take that loss
I want the money and the honey
Even though I'm a pimp and a player she still wants me
She's in the family now
I got the next nigga waiting on them hand me down
But she'd show up with Snoop, hanging out
See the wet stain on her panties now
Mad as fuck but he ain't saying shit
Cuz we got more bitches than we came here with
Somehow some way gotta save the bit
But you crazy if you thinking we that we ain't gonna hit it (nigga)
She throw it to a nigga, I'ma toss it
She throw it to a nigga, I'ma toss it
Boss nigga, boss shit, I got boss dick
Fresh fast done fucked a coffin
She throw it to a nigga, I'ma toss it
She throw it to a nigga, I'ma toss it
Boss nigga, boss shit, I got boss dick
Fresh fast done fucked a coffin
