

# Steam Roller

Billy Dean

(James Taylor) I'm a steamroller baby  
I'd like to roll all over you  
Hey I'm a steamroller for your love  
Like nothing better than to just roll all over you  
I'm gonna inject your soul with some sweet old time rock & roll  
Shoot you full of rhythm & blues  
I'm a cement mixer  
A churnin' urn of burnin' funk  
I'm a cement mixer ooh boy  
A churnin' urn of burnin' funk  
Hey I'm a demolition derby  
A hefty hunk of steamin' junk hey  
I'm a na-palm bomb lord  
Guaranteed to blow your mind  
I'm a na-palm bolb gonna blow your mind  
If I can't have your love love  
There won't be won't be nothin' left behind left behind girl  
I'm a steamroller baby  
I'm bound to roll all over you lord have mercy girl  
I'm a steamroller for your love  
Like nothin' better than just to just roll over you  
If I can't have your love love  
I'm gonna have nothin' I'm gonna have nothin' But them steam Steamroller blues yeah yeah
