

# The Gospel

[Ryan Stevenson](#)

a restless generation were turning over every stone  
hoping to find salvation in a world that's left us cold  
can we get back to the altar back to the arms of our first love there's only way to the father and  
    hes calling out to us  
to the captive it looks like freedom to the orphan it feels like home  
to the skeptic it might sound crazy to believe in a GOD who loves in a world  
    where our hearts are breaking and were lost in the mess we've made  
        like a blinding light in the dead of night  
    it's the gospel the gospel that makes a way  
        it's the gospel that makes a way  
            it's the cure for our condition  
            it's the good news for us all  
    it's greater than religion it's the power of the cross  
so can we get back to the altar back to the arms of our first love there's only one way to the father  
    and hes calling out to us  
to the captive it looks like freedom to the orphan it feels like home  
to the skeptic it might sound crazy to believe in a GOD who loves  
in a world where our hearts are breaking and were lost in the mess we've made  
    like a blinding light in the dead of night  
    it's the gospel the gospel that makes a way  
        it's the gospel that makes a way  
        it's the gospel that makes a way  
        it's the gospel that makes a way  
the amazing news of the gospel is not that we can receive Jesus into our lives  
    but that hes already received us into his  
        in my own life it means forgiveness  
        when i know i deserve the fall  
    it called me out of my darkness and carried me to the cross  
in the moment my eyes were opened in the moment my heart was changed  
    like a blinding light in the dead of night it's the gospel  
        oh to the captive it looks like freedom  
        to the orphan it feels like home  
to the skeptic it might sound crazy to believe in a GOD who loves  
in a world where our hearts are breaking and were stuck in the mess we've made  
    like a blinding light in the dead of night it's the gospel  
        the gospel that makes a way it's the gospel that makes a way  
        it's the gospel that makes a way it's the gospel that makes away  
        it's the gospel the gospel that makes a way  
            end
