Celebrate Me Home (feat. Gavin DeGraw)

LeAnn Rimes

Home for the holidays,

I believe I've missed each and every face,

Come on and play my music,

Let's turn on every love light in the placeIt's time I found myself

Totally surrounded in your circles

Whoa, my friendsPlease, celebrate me home

Give me a number

Please, celebrate me home

Play me one more song

That I'll always remember

And I can recall

Whenever I find myself too all alone

Oh, I can sing me home

Uneasy highway

Traveling where the westerly winds can fly

Somebody tried to tell me

But the men forgot to tell me why (Oh, he forgot to tell you why)I gotta count on being gone

Come on momma, come on daddy

Be what you want from me

I'll this strong, (I'll be strong) I'll be weakOh, celebrate me home

Give me a number

Please, please, celebrate me home

Play me one more song

That I'll always remember

That I can recall

Whenever I find myself too all alone

I can make believe I've never gone

I never know where I belong

Play me one more song

That I'll always remember

I can recall

Whenever I find myself too all aloneCelebrate, celebrate

Celebrate me home

Celebrate, celebrate

Celebrate me home
