

# Don't Explain

## Cat Power

Hush now, don't explain  
You're the cause of all my  
Trouble and pain  
Unless you're mad  
Don't explain My love, my love, my love  
Don't explain  
There is nothing within me now to gain  
You know that I love you  
Look at what loving has done  
All my thoughts were real  
And so sincere  
I was so completely yours  
You know I hear folks cha-cha-cha-chatter  
And I know you cheat  
Right or wrong, that don't matter  
You're here with me  
Sit down, have a sit  
It's your time to feel the pain  
It's your time to weep  
Don't explain  
Hush now, don't explain  
There is nothing within me now to gain  
I'm gonna skip it instead  
Don't explain  
Don't explain
