## Heal the World

## **Michael Jackson**

There's a place in your heart

And I know that it is love

And this place could be much

Brighter than tomorrow

And if you really try

You'll find there's no need to cry

In this place you'll feel

There's no hurt or sorrowThere are ways to get there

If you care enough for the living

Make a little space

Make a better place

Heal the world

Make it a better place

For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make a better place for you and for meIf you want to know why

There's a love that cannot lie

Love is strong

It only cares for joyful giving

If we try, we shall see

In this bliss we cannot feel

Fear or dread

We stop existing and start living

Then it feels that always

Love's enough for us growing

So make a better world

Make a better worldHeal the world

Make it a better place

For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make a better place for you and for meAnd the dream we were conceived in

Will reveal a joyful face

And the world we once believed in

Will shine again in grace

Then why do we keep strangling life

Wound this earth crucify its soul

Though it's plain to see

This world is heavenly

Be God's glowWe could fly so high Let our spirits never die In my heart I feel you are all my brothers Create a world with no fear Together we'll cry happy tears See the nations turn their swords Into plowsharesWe could really get there If you cared enough for the living Make a little space To make a better placeHeal the world Make it a better place For you and for me And the entire human race There are people dying If you care enough for the living Make a better place for you and for meHeal the world Make it a better place For you and for me And the entire human race There are people dying If you care enough for the living Make a better place for you and for me Heal the world Make it a better place For you and for me And the entire human race There are people dying If you care enough for the living Make a better place for you and for me Song Discussions is protected by U.S. Patent 9401941.
