

'Till You're Gone

Barbara Mandrell

How many days, how many ways
Do I have to lose you 'till you're gone?
How many nights, how many lonely nights
Do I have to lose you, darling, 'till you're gone? It happens every time I think
I'm getting over you
Something 'bout somebody new
Gets me thinking about you How many times, how many times
Do I have to lose you 'till you're gone?
I wanna know, do I have to lose you 'till you're gone?
I see you on the late show
I hear you on the radio
Darling, everywhere I go
Your memory is there
How many times, how many times
Do I have to lose you, darling, 'till you're gone?
I wanna know
Do I have to lose you, darling, 'till you're gone? How many days, how many nights 'till you're
gone?
I wanna know
I wanna know, darling
