

# Crazy

## From Ashes to New

Am I going crazy?  
Yeah, I think you made me I give, you take, you always push me away  
I love, you hate, it's always, always the same  
You're always taking, taking, never giving back  
To me, it's in the past but tell me how you live with that  
You always love to hate with every single breath  
But since the disconnect, you see the life you wish you had  
Yeah, you see the life you wish you had  
Am I going crazy?  
Yeah, I think you made me  
'Cause I hate the way that you make me feel  
Am I going crazy? I can't, I won't, won't bend until I break  
I do, you don't, it's always, always the same  
All I wanted was for you to understand my mind  
I'm over standing by your side, it isn't worth the time  
All you wanted was to push me somewhere past the line  
Push me somewhere out of sight, push me somewhere out of mind Am I going crazy?  
Yeah, I think you made me  
'Cause I hate the way that you make me feel  
Am I going crazy? Always the same  
Always the same  
Always the same  
Am I going crazy?  
Yeah, I think you made me  
'Cause I hate the way that you make me feel  
Am I going crazy?  
Am I going crazy?  
I can't change the way that you make me feel  
Yeah, I think you made me  
Have you seen me lately? It's the way you made me  
Going crazy?  
I hate the way that you make me feel  
Yeah, I'm going crazy Am I going crazy?  
Yeah, I think you made me  
Am I going crazy?
