

Cadillac Girl (Remix)

Andre Nickatina & Mac Dre

Ford, Chev, Whatever Ya Got
Don't Mean Shit, Shit Ain't Hot
Lincoln, Caddy, Whatever Ya Got
Push It Man, Don't Be Scared To Squat
Quick Fast In A Hurry
Squat Bounce Dropped Dirty
Cocaine White Tiger White Walls
Hit The Freeway Hard At Night Y'all
With The Keys Right There I'm Ready To Drive
Like A Eagle At 12 I'm Ready To Fly
Pager Going Off, The Cell Phones Ringin'
Al Green's Playin' And I Keep Singin'
Jeans Creased Up With The Beat Up
Now I'm About To Go Pick This Little Freak Up
Blow L's, Make Mail, Ponytails
Had To Compliment Her On Her Fresh Done Nails
Varoom, Motherfucker Boom Boom
A Whole Block Of Green Lights, Freak Zoom Zoom
Mario Andretti With Blowjob Betty
Pedal To The Metal When Your Ridin' With The Devil
Did Just That At In-N-Out Burger
No Pickles, No Onions, No Playin'
Check This Out No Delayin'
Did A Donut Right Is What I'm Sayin' Shit
Police Came, I Was On The Streets
Smokin' More Weed, Bumpin' More Beats
Puttin' More Words In The Ear Of This Freak
Cadillac Girl, Somethin' I'ma Keep, Seville?
Ford, Chev, Whatever Ya Got
Don't Mean Shit, Shit Ain't Hot
I Roll So Outa Control Window On The Tint
So Im Not Exposed
Lincoln, Caddy, Whatever Ya Got
Push It Man, Don't Be Scared To Squat
At The Honycome Hide Out Bitch [?]
Ford, Chev, Whatever Ya Got
Don't Mean Shit, Shit Ain't Hot
Rally Stripes And Dewpoint Pipes
Make The Think About Striken
While High Tonight
Lincoln, Caddy, Whatever Ya Got
Push It Man, Don't Be Scared To Squat

Color Fine Ride With The Perfect Paint
At The Red Light You Cant
Wait To Race
Cam, Lifters, [?] Shifters
Three Fifty One Make The Old School Swifter
Rap In The Trunk, Scrap In The Trunk
Fat Four-Four In My Lap For The Funk
Talkin' To A Beezy On The Phone But Can't Hear Her
Turned Down The Bump, So I Can Hear Clearer
I Hear Sirens Get Nearer
Red And Blue Lights In My Rear View Mirror
Pull Over, Nope Nope
With A Car Full Of Smoke And Trunk Full Of Dope
I Hit The Gasser, Go Faster
All You Hear Is Dual Exhaust, Flowmaster
On A Chase, I Take 'em, Then I Shake 'em
A Real Cutthroat Nigga Ain't No Fakin'
I Shoot, Ain't Scared To Scoot
And Shake Them One Time On A Hot Pursuit
Ford, Chev, Whatever Ya Got
Don't Mean Shit, Shit Ain't Hot
I Roll So Outa Control Window On The Tint
So Im Not Exposed
Lincoln, Caddy, Whatever Ya Got
Push It Man, Don't Be Scared To Squat
At The Honycome Hide Out Bitch [?]
Ford, Chev, Whatever Ya Got
Don't Mean Shit, Shit Ain't Hot
Rally Stripes And Dewpoint Pipes
Make The Think About Striken
While High Tonight
Lincoln, Caddy, Whatever Ya Got
Push It Man, Don't Be Scared To Squat
Color Fine Ride With The Perfect Paint
At The Red Light You Cant
Wait To Race
