Not Afraid

Eminem

Yeah. It's been a ride... I guess I had to go to that place to get to this one Now some of you might still be in that place If you're trying to get out, just follow me I'll get you there You can try and read my lyrics off of this paper before I lay 'em But you won't take this thing out these words before I say 'em Cause ain't no way I'm let you stop me from causing mayhem When I say 'em or do something I do it, I don't give a damn What you think, I'm doing this for me, so fuck the world Feed it beans, it's gassed up, if a thing's stopping me I'mma be what I set out to be, without a doubt undoubtedly And all those who look down on me I'm tearing down your balcony No if ands or buts don't try to ask him why or how can he From Infinite down to the last Relapse album he's still shit'n Whether he's on salary, paid hourly Until he bows out or he shit's his bowels out of him Whichever comes first, for better or worse He's married to the game, like a fuck you for Christmas His gift is a curse, forget the earth he's got the urge To pull his dick from the dirt and fuck the whole universe I'm not afraid to take a stand Everybody come take my hand We'll walk this road together, through the storm

Whatever weather, cold or warm

Just let you know that, you're not alone

Holla if you feel that you've been down the same roadOk quit playin' with the scissors and shit, and cut the crap

I shouldn't have to rhyme these words in the rhythm for you to know it's a rap
You said you was king, you lied through your teeth
For that fuck your fillings, instead of getting crowned you're getting capped
And to the fans, I'll never let you down again, I'm back
I promise to never go back on that promise, in fact
Let's be honest, that last Relapse CD was "ehhhh"
Perhaps I ran them accents into the ground
Relax, I ain't going back to that now
All I'm tryna say is get back, click-clack BLAOW
Cause I ain't playin' around
There's a game called circle and I don't know how
I'm way too up to back down
But I think I'm still tryna figure this crap out
Thought I had it mapped out but I guess I didn't
This fucking black cloud still follow's me around

But it's time to exorcise these demons

These motherfuckers are doing jumping jacks now! I'm not afraid to take a stand

Everybody come take my hand

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just let you know that, you're not alone

Holla if you feel that you've been down the same roadAnd I just can't keep living this way

So starting today, I'm breaking out of this cage

I'm standing up, Imma face my demons

I'm manning up, Imma hold my ground

I've had enough, now I'm so fed up

Time to put my life back together right nowIt was my decision to get clean, I did it for me Admittedly I probably did it subliminally for you

So I could come back a brand new me, you helped see me through

And don't even realise what you did, believe me you

I been through the ringer, but they can do little to the middle finger

I think I got a tear in my eye, I feel like the king of

My world, haters can make like bees with no stingers, and drop dead

No more beef flingers, no more drama from now on, I promise

To focus only on handling my responsibility's as a father

So I solemnly swear to always treat this roof like my daughters and raise it

You couldn't lift a single shingle on it

Cause the way I feel, I'm strong enough to go to the club

Or the corner pub and lift the whole liquor counter up

Cause I'm raising the bar, I shoot for the moon

But I'm too busy gazing at stars, I feel amazed and I'm not afraid to take a stand

Everybody come take my hand

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just let you know that, you're not alone

Holla if you feel that you've been down the same road
