

Dennis Rodman (feat. Dennis Rodman)

mansionz

Sitting in the goddamn 'Lac
Riding clean with my homies in the back
If you were me, you'd do the same thang
I got 20 women swimming in my brain
Yeah, I'm sitting in the goddamn 'Lac (Ya dig it)
Banging Primo, yeah my shit boom bap (Ya dig it)
Got the windows down, AC max (Woo)
And we bumping "Return of the Mack" (Ya dig it) I'm gon' do whatever it is I want to, baby
I'm gon' do whatever it is I feel
I don't care 'bout who's watching
Dennis Rodman
Dennis Rodman
Yeah, sitting in the clean Impala
We're class 2010, I'm a scholar
If you were me, you'd do the same thang
Might hit Roscoe's, get a chicken wing
Yeah, sitting in the clean Impala (Ya dig it)
Finna have you sipping on Odwalla
And if you bad, then, baby, I'll holla (Hey, girl)
Make your girl disappear, voila! I'm gon' do whatever it is I want to, baby
I'm gon' do whatever it is I feel
I don't care 'bout who's watching
Dennis Rodman
Dennis, Dennis, Dennis Rodman
Yeah, I'ma wear a dress if I want to
Green hair, fishnets if I want to
Smoke, drink, do drugs if I want to
I ain't really trying to impress you
I'ma be as bad as I wanna be
You can be as mad as you wanna be
I'ma spend whatever when I'm shopping
I don't plan on stopping, people keep talking
Dennis Rodman
Dennis, yo, Dennis, talk yo shit, dog Here we go, Dennis Rodman
I'ma talk about myself
Because a lot of people don't wanna talk about Dennis Rodman anymore because they think
he's a has-been
They ask me, "When are you gonna slow down, man?"
Dennis Rodman
I said, "I don't give a fuck, man, I'ma go do Dennis Rodman"
Let's say it again, Dennis fucking Rodman
Dennis Rodman
