We Know (feat. Jermaine Dupri & Da Brat)

Cappadonna

Uh-huh. uh It's a Wu-Tang, so so death thing I know y'all ain't ready for deathWe know the game, like we know time We know biz, like we know crime We know a tech, like we know a dime We know fat, like we know whack And how to make the doe stack We know, we know This years money and thug affiliation Wu-Tang Clan, Dupri collaboration ATL, New York, real live creation No busters, niggah what no imitations If one things not for cash and gold rings It's real shit you can feel shit, no basin' Hot bitches are rich, plenty ass chasin' This be that bomb shit, stop playa hatin' We know the game, like we know time We know biz, like we know crime We know a trick, like we know a dime We know fat, like we know whack And how to make the doe stack We know, we know We know bad, like we know good We know the world, like we know the hood We know young, like we know old We know platinum, like we know gold And how to get the fat dough We know, we know We know how to blow this weed, how to toke it up Take a smoke with us, ya'll wanna get a hold of me If you let me of, we know how to pressno, get fucked up Can't you tell by the way I talk It's the bitch in me that dwells from my head to my socks Queen when I crock, pop any niggah like, red buck I like sexiest crop more than ever, no matter how you wait An' I seen us prayAnd when I slay niggah's, I brutaly burn 'em I turn them into church goers, then they'll die by serving Pray for all ya, run for cover, when a disaster is behind us On the lose like mine and passing others Dust, 'cuz we don't give a fuck about him Were's the blunts, we can't live without 'em We know how to get the money and hussle, we know How to split a niggah dawg, for fucking over they're dough

We know, not to let a motherfucker get to close

'Cuz in this world we know, there ain't shit free, so why work niggah?We know the game, like we know time

We know biz, like we know crime

We know a trick, like we know a dime

We know fat, like we know whack

And how to make the doe stack

We know, we know bad, like we know good

We know the world, like we know the hood

We know young, like we know old

We know platinum, like we know gold

And how to get the fat dough

We know, we know We know this trouble, like we know hoes

We know the style, like we know clothes

We count bank, can we get dough

What? Money and fast cars

We can't let it go, Dupri and Cappadonna kid

We got the flow, shot callers

Ya better be low, so what's on player?

Your money with the Wu, it's all about paper

What the fuck you wanna do? Champagne all nightWe know the streets, like we know heat

We know what's right, like we love ice

We know what's ill, like we're getting bills

What? We know what's love, like it's love is love

Push, come the shoveWhat's ya'll gonna go with this shit?

Yeah, play it, it's the Wu

Four us by us, money on the label

No fucking around, gats on the table

Getting money for life, that's how you say it's stableWe know the game, like we know time

We know biz, like we know crime

We know a trick, like we know a dime

We know fat, like we know whack

And how the make the doe stack

We know, we know bad, like we know good

We know the world, like we know the hood

We know young, like we know old

We know platinum, like we know gold

And how to get the fat dough

We know, we know
