without your love I will be incomplete.
Oh baby, you're all I need.
The most beautiful girl I've ever seen. No, I don't wanna break it, no break it
Before only I can see,
if we're gonna make it.
Gonna make it,
I don't wanna wait another day.
Oh oh oh, cause there aint nobody.
Aint nobody loves you like I love you!
Like I love you,
Like I, like I love you!
Cause there aint no one like you.
Aint nobody loves you, like I love you!
Like I love you!
Like I, like I love you!
Cause there aint no one like you! Like I, like I love you!
Cause there aint no one like you! I'm in need,
of your sweet body to fulfill my dreams.
Oh lady, lady can't you see
you're be the shawty in my love supree.
No, I don't wanna break it, no break it
Before only I can see,
if we're gonna make it.
Gonna make it,
I don't wanna wait another day.
Oh oh oh, cause there aint nobody. Aint nobody loves you like I love you!
Like I love you,
Like I, like I love you!
Cause there aint no one like you.
Aint nobody loves you, like I love you!
Like I love you!
Like I, like I love you!
Cause there aint no one like you! I know that we can make it
Yeah, make it!
And nothing in this galaxy could break it, could break it.
Gonna be the one that makes you crazy!
Baby I, I only wish that I could make you see.
You see? You and me! (music) No, I don't wanna break it, no break it
Before only I can see,
if we're gonna make it.
Gonna make it,

I don't wanna wait another day.
Oh oh oh, cause there aint nobody. Aint nobody loves you like I love you!
Like I love you,
Like I, like I love you!
Cause there aint no one like you.
