

# Look At Her Now

Selena Gomez

They fell in love one summer A little too wild for each other  
Shiny 'til it wasn't  
Feels good? 'til it doesn't  
It was her first real lover  
His too? 'til he had another  
Oh, God, when she found out  
Trust levels went way down Of course she was sad  
But now she's glad she dodged a bullet (Mm)  
Took a few years to soak up the tears  
But look at her now, watch her go  
Mm-mm-mm, mm-mm-mm, mm-mm  
Look at her now, watch her go  
Mm-mm-mm, mm-mm-mm, mm-mm  
Wow, look at her now  
Mm-mm-mm, mm-mm-mm, mm-mm  
Look at her now, watch her go  
Mm-mm-mm, mm-mm-mm, mm-mm  
Wow, look at her now  
Wow, look at her now Fast nights that got him  
That new life was his problem  
Not saying she was perfect  
Still regrets that moment  
Like that night  
Wasn't wrong, wasn't right, yeah  
What a thing to be human (What a thing to be human)  
Made her more of a woman (Made her more of a woman)  
Of course she was sad  
But now she's glad she dodged a bullet (Mm)  
Took a few years to soak up the tears  
But look at her now, watch her go Mm-mm-mm, mm-mm-mm, mm-mm  
Look at her now, watch her go  
Mm-mm-mm, mm-mm-mm, mm-mm  
Wow, look at her now (Look at her now)  
Mm-mm-mm, mm-mm-mm, mm-mm  
Look at her now, watch her go  
Mm-mm-mm, mm-mm-mm, mm-mm  
Wow, look at her now (Ah)  
Wow, look at her now (Look at her now)  
(Look at her now)  
Wow, look at her now She knows she'll find love (She knows)  
Only if she wants it  
She knows she'll find love (She knows)

She knows she'll find love (She knows)  
Only if she wants it  
She knows she'll find love (She knows)  
On the up from the way down  
Look at her now, watch her go Mm-mm, look at her now, mm-mm (Oh)  
She knows she'll find love (She knows she will)  
Only if she wants it  
She knows she'll find love  
Look at her now, yeah (Look at her now)  
She knows she'll find love (She knows she will)  
Only if she wants it  
She knows she'll find love  
Wow, look at her now
