

# Safe Sex Pay Checks

[Rae Sremmurd](#)

.VolumeBottles on bottles, free shots for everybody  
Got enough for everybody, we crankin' up the volume  
Turn the music up louder, get loose and move your body  
Get loose and move your body, we crankin' up the volumeSafe sex, and paychecks  
That's what it's all about, don't forget about  
Safe sex, and paychecks...
