

# Two of Us (feat. Faith Evans)

Q Parker

You got your own mind, own type,  
Girl I swear sometimes you just be all mine, all mine  
You're still my baby  
That's cause whatever it is you ain't faded  
Girl I swear I went traded for nothing,  
You are the one I want. Now I know it don't always see things the same way  
I say right, you say left, always thinking of what's best for me  
Even though it drives me crazy, you're so amazing  
'Cause I can't see it with nobody else. We may fight, we may fuss, we may fight  
But at the end of the night,  
Nothing's bigger than the, than the two of us, yeah  
I got your back and you got mine,  
So all the thing's is alright  
Ain't nothing bigger than the two of us, two of us.  
No way, no way, ain't nothing bigger, nothing bigger,  
No way, no way, than the two of us. The funny thing about us, we always fussing bout  
something  
But one thing, you don't have to question boy is my love,  
No one even comes close to you,  
And believe you got me like you do. Now I know it don't always see things the same way  
I say right, you say left, always thinking of what's best for me  
Even though it drives me crazy, you're so amazing  
'Cause I can't see it with nobody else. No way, no way, ain't nothing bigger, nothing bigger,  
No way, no way, than the two of us. We may around prepare of dance, let it down,  
But at the end you stuck around, stuck around  
Ain't always easy, but it's always worth it,  
Ain't back one lover  
We may fight  
No way, no way, ain't nothing bigger, nothing bigger,  
No way, no way, than the two of us.  
No way, no way, ain't nothing bigger, nothing bigger,  
No way, no way, than the two of us. Oh baby, my baby, oh boy, oh yeah
