## In the Name of Love

## Martin Garrix & Bebe Rexha

If I told you this was only gonna hurt If I warned you that the fire's gonna burn Would you walk in? Would you let me do it first? Do it all in the name of loveWould you let me lead you even when you're blind? In the darkness, in the middle of the night In the silence, when there's no one by your side Would you call in the name of love?In the name of love Name of love In the name of love Name of love In the name of In the name, name In the name, nameIf I told you we could bathe in all the lights Would you rise up, come and meet me in the sky? Would you trust me when you're jumping from the heights? Would you fall in the name of love? When there's madness, when there's poison in your head When the sadness leaves you broken in your bed I will hold you in the depths of your despair And it's all in the name of loveIn the name of love Name of love In the name of love Name of love In the name of In the name, name In the name, name I wanna testify Scream in the holy light You bring me back to life And it's all in the name of loveI wanna testify Scream in the holy light You bring me back to life And it's all in the name of loveIn the name of love Name of love In the name of love Name of love In the name of In the name, name In the name, name In the name of In the name, name In the name of Song Discussions is protected by U.S. Patent 9401941.
