Neon

Chris Young

The sky in Cheyenne, Wyoming Is just about as blue as it gets And if you ain't seen a Santa Fe sunset You ain't seen redTexas sunflower yellow Can take your breath away I've seen it all, from the orange of the fall To the green of the summer but my favorite color is Neon The light they always leave on A weekend on the rocks An old school jukebox With a little Johnny Lee on The buzz I love to be on You put a double on your troubles The light at this end of the tunnel Is neonThe sun can do the job in the daytime But the moon ain't quite bright enough To light up the way to playtime For people like usJust like a beach side beacon Callin' all the ships back home A few thousand volts to cut through the smoke

The windows are tinted that's why they inventedNeon
The light they always leave on

A weekend on the rocks

An old school jukebox

With a little Johnny Lee on

It's the buzz I love to be on

You put a double on your troubles

Tou put a double on your froubles

The light at this end of the tunnel Is always neonYou know I've seen it all

From the orange of the fall

To the green of the summer

But my favorite color is

Neon

The light they always leave on Put a double on your troubles

The light at this end of the tunnel

Is neon
