Un-Break My Heart

Toni Braxton

Don't leave me in all this pain
Don't leave me out in the rain
Come back and bring back my smile
Come and take these tears away
I need your arms to hold me nowThe nights are so unkind
Bring back those nights when I held you beside me

Un-break my heart

Say you'll love me again

Undo this hurt you caused

When you walked out the door

And walked out of my lifeUn-cry these tearsI cried so many nights
Un-break my heart

My heartTake back that sad word good-bye
Bring back the joy to my lifeDon't leave me here with these tears
Come and kiss this pain away

I can't forget the day you leftTime is so unkind And life is so cruel without you here beside meUn-break my heart

Say you'll love me again

Undo this hurt you caused

When you walked out the door

And walked out of my life

Un-cry these tears

I cried so many nights

Un-break my heart

My heart

Don't leave me in all this pain

Don't leave me out in the rain

Bring back the nights when I held you beside me

Un-break my heart

Say you'll love me again

Undo this hurt you caused

When you walked out the door

And walked out of my life

Un-cry this tears

I cried so many, many nights

Un-break my

Un-break my heart oh baby

Come back and say you love me

Un-break my heart

Sweet darlin'

Without you I just can't go on

Can't go on...
