Oh-oh-oh

Yeah, yeah, yeah, yeah (Yeah) Why you always in a mood? Fuckin 'round, actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

Why you always in a mood? Fuckin 'round, actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view, yeah

I could never get attached

When I start to feel, I unattach

Somehow I always end up feeling bad

Baby, I am not your dad, it's not all you want from me

I just want your company

Girl, it's obvious, elephant in the room

And we're a part of it, don't act so confused

And you love startin' it, now I'm in a mood

Now we arguin' in my bedroom We play games of love to avoid the depression

We been here before and I won't be your victim Why you always in a mood? Fuckin 'round,  
actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

Why you always in a mood? Fuckin 'round, actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

So why you tryin' to fake your love on the regular

When you could be blowin' up just like my cellular?

I won't ever let a shorty go and set me up

Only thing I need to know is if you wet enough

I'm talking slick back, kick back, gang sippin' fourties

You keep playin, not another day with you shorty

Mismatched fits, that was way before you know me

Got a lot of love, well you better save it for me We play games of love to avoid the depression

We been here before and I won't be your victim Why you always in a mood? Fuckin 'round,  
actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules

Everything look better with a view

Why you always in a mood? Fuckin 'round, actin' brand new

I ain't tryna tell you what to do, but try to play it cool

Baby, I ain't playing by your rules  
Everything look better with a view, yeah
