

Strange

Kerli & Tokio Hotel

A freak of nature
Stuck in reality
I don't fit the picture
I'm not what you want me to be
Sorry Under the radar
Out of the system
Caught in the spotlight
That's my existence
You want me to change
But all I feel is strange
Strange
In your perfect world
So Strange Strange
I feel so absurd in this life
Don't come closer
In my arms
Forever you'll be strange
Strange
You want to fix me
Push me
Into your fantasy
You try to get me
Sell me
Your personality You try to left me
I don't get better
What's making you happy
It's making me sader
In your golden cage
All I feel is strange
Strange
In your perfect world
So Strange Strange
I feel so absurd in this life
Don't come closer
In my arms
Forever you'll be strange
Strange
Like me
Strange
When you touch me
Strange
When you kill me

Strange
All I feel is strange
In my dreams together we'll be Strange
Strange
In your perfect world Strange
I am so strange
Strange
I am so strange
Strange
Strange
In your perfect world
So Strange Strange
I feel so absurd in this life
Don't come closer
(?) slowly
In my arms
Forever you'll be strange
Strange
Like me
