

# Dance Away

## Roxy Music

Yesterday, when it seemed so cool  
When I walked you home, kiss goodnight  
I said "it's love", you said "alright".  
Its funny how, I could never cry  
Until tonight, when you pass by  
Hand-in-Hand with another guy  
You're dressed to kill, and guess whos dying...Dance away the heartache  
Dance away, tears.  
Dance away the heartache  
Dance away, fears.  
Dance away...  
Loneliness, is a crowded room  
Full of open hearts, turned to stone.  
All together, all alone.  
All at once, my whole world had changed.  
Now I'm in the dark, off the wall  
Lit the strobe light up the wall.  
I close my eyes, and dance til dawn.Dance away the heartache  
Dance away, tears.  
Dance away the heartache  
Dance away, fears.  
Dance away...  
Dance away...  
Dance away...  
Now I know, I must walk the line  
Until i find an open door  
Off the street or onto the floor.  
There was I, many times a fool  
I hoped and prayed, but not too much  
Out of reach is out of touch  
All the way is far enough.Dance away the heartache  
Dance away, tears.  
Dance away the heartache  
Dance away, fears.  
Dance away the heartache  
Dance away, tears.  
Dance away the heartache  
Dance away, fears.
