

Thunderstorm

The Laurie Berkner Band

Thun thun thun thun thunderstorm
I love to watch 'em when the weather is warm
Sit by the window watch the lightning flash
Crack Crack, Bam Bam, Crashity Crash
Crack Crack, Bam Bam, Crashity Crash Giant raindrops, down they fly
Buckets of water fill the summery sky
Now here it comes a lightning flash
Crack Crack, Bam Bam, Crashity Crash
Crack Crack, Bam Bam, Crashity Crash
Watch that big black sky
Hear that boom boom boom
Like a big bass drum And then a streak lights up the room!
Watch that big black sky
Hear that boom boom boom
Like a big bass drum
And then a streak lights up the room!
Thun thun thun thun thunderstorm
I love to watch 'em when the weather is warm
Sit by the window watch the lightning flash
Crack Crack, Bam Bam, Crashity Crash
Crack Crack, Bam Bam, Crashity Crash
Crack Crack, Bam Bam, Crashity Crash
