

Time of Our Life

Big Time Rush

I'm looking and you, yeah, you're looking at me
Something about you's got me going crazy (oh)
So what should I do, what can I say
She's beautiful, unusual, the prettiest thing in the room
No one else compares to you Just do what you do and I will be there for you
If you take my hand (my hand), just give me the chance (my chance)
Don't worry 'bout a thing just dance dance dance Hey! It feels right girl just give me a sign
We're gonna party all night have the time of our life, yeah
I can't fight how I'm feeling inside
And we can party all night have the time of our life, girl
Oh oh woah
Oh oh woah
We're gonna party all night, p-par-party all night, girl
Oh oh woah
Oh oh woah
We're gonna party all night have the time of our life, girl Can't help myself, 'cause girl you're so
fly
Knew from the minute that I looked in your eyes
That you could be the one, you're just my type Can't let you get away, it's obvious I'm into you
No one else compares to you
Just do what you do and I will be there for you
If you take my hand (my hand), just give me the chance (my chance) Don't worry 'bout a thing
just dance dance dance
(don't worry girl) Hey!
It feels right girl just give me a sign
We're gonna party all night have the time of our life, yeah
I can't fight how I'm feeling inside
And we can party all night have the time of our life, girl Oh oh woah
Oh oh woah
We're gonna party all night, p-par-party all night, girl
Oh oh woah
Oh oh woah We're gonna party all night have the time of our life, girl No we don't have to leave
tonight
We'll stay together on the dance floor Turn up the sound, turn down the lights
(the lights, the lights, the lights)
(don't wanna let go, yeah)
Let's make a night we won't forget and we living with no regrets And no one else but us til the
sun comes up Hey!
It feels right girl just give me a sign
We're gonna party all night have the time of our life, yeah
I can't fight how I'm feeling inside
And we can party all night have the time of our life, girl

Oh oh woah

Oh oh woah

We're gonna party all night, p-par-party all night, girl

Oh oh woah

Oh oh woah

We're gonna party all night have the time of our life, girl
